

Press Release:

Delicious food and great coffee make Catering 4 Occasions top of the class!

(Back to school and a bumper contract for Catering 4 Occasions)

Catering 4 Occasions have secured their biggest ever contract after being booked to cater for 1,300 guests at a private school in June.

The Hampshire-based caterers have secured £50,000 of pre-booked business ahead of the new season, and director Charles Miller insisted his company's record of providing excellent service had won them their contract at the private school. "We won the contract after impressing at an event last year," he said. "Then we catered for 275, and one of the attendees recommended us to the school for their event."

"We are used to catering for big numbers and anything below 100 is a walk in the park for us."

Catering 4 Occasions supply their services for weddings, baby namings, birthday parties and corporate events. They also own their own coffee company - Coffee Perfecto - and have invested in two San Remo Espresso coffee machines, a first for an outside catering company in the country.

Whatever the event or location, Catering 4 Occasions provide delicious food and the best possible service. The food is fresh and is prepared and cooked on site. Proper cutlery and crockery are always provided with no use of disposables.

As Catering 4 Occasions proudly boast: "Our slogan is that we can cater anywhere even in the middle of a field."
