

What our clients say about us...

*"Charles and his team catered for our wedding a few weeks ago and I cannot recommend them enough. Nothing was too much trouble, Charles advised us on what would work well, but still allowed us to have exactly what we wanted. All our guests commented on the excellent standard of food and service. The team worked tirelessly yet remained discreetly in the background – a very well organized outfit. The icing on the cake so to speak, was that it didn't cost an arm and a leg. Excellent service, wonderful food and a cracking price. Thank you!"*

*Dear Charles*

*Apologies for belated contact but we have just returned from holiday. Marcia and I would like to express our most sincere thanks for the professional service which you and Henry supplied for our Ruby wedding bash on Sept 5th. Everyone enjoyed the roast and food and agreed with us that you both did the job very well. We shall certainly use you again and will recommend you to others, which we already have done. Many thanks again and we wish you continued success Charles.*

*Sincerely  
Colin Bostock.*
